

# UzStroyExpo

The 7th International Exhibition

## «UzStroyExpo-2017»

September 27– 29, 2017

Tashkent, Uzbekistan

Exhibition is organized for the purpose of the attraction of the leading international and domestic companies, which work in the field of production and deliveries to the production of construction designation. Participation in the exhibition - these are the advanced method of the demonstration of new materials, technologies and equipment, excellent possibility for establishing of business connections, strengthening of the positions of companies on the market of Uzbekistan and entire Central-Asian region.

### Official support of the exhibition:

- State Committee of the Republic of Uzbekistan for Architecture and Construction
- JSC «Uzbekenergo»
- JSC «Uzbuildmaterials»
- JSC «Uzmahsusmontazhkurilish»
- Uzbek agency «Uzkommunhizmat»
- Mayor's office the City of Tashkent

With organizing support of NEC «Uzexpocentre»

Holding the exhibition takes on special relevance in view of the planned projects for the construction of industrial complexes in various industries.

\$432,8 million will be allocated for implementation of the program of development and modernization of systems of water supply and water disposal for 2015-2019 at the expense of the centralized capital investments.

Uzbekistan is planning to build 945 multi-story houses in the urbans in 2017-2020.

A programme on construction of 945 multi-storey houses in urban areas of Uzbekistan for 2017-2020 is developed now. 5, 7 and 9 story houses will be constructed in Tashkent, centers and large cities of Karakalpakstan and regions of Uzbekistan for 50,000

families, who need habitation. 15,000 new houses based on modern standard projects will be constructed in rural areas in 2017.
